# Submittal Form Track Hanger Kit

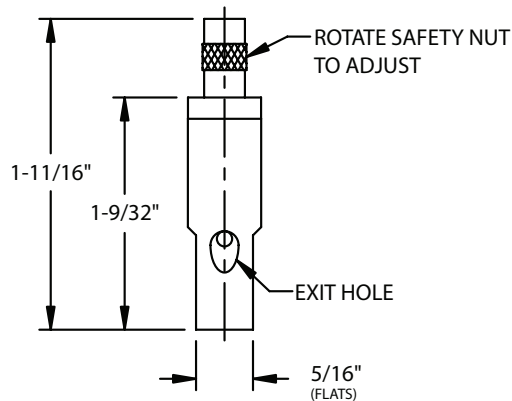

## DESCRIPTION

Track lighting is a great way to light a space. You can place a light anywhere on the track, so you can change positions for optimum lighting. It can be assembled to fit most any space. Simply use Rize Looped Cable to suspend the lighting to your desired height. With Rize Kwik-Grips, installation is a breeze.

Includes Looped Cable, Side Exit Kwik-Grip, and two different length 1/4-20 screws. Working Load limit 75 lbs.

1/4-20x13/32\"/>
